Application for Job

1) Describe the most severe time of testing you have encountered as a Christian. (It could be health related, emotional, financial…etc.)

2) Briefly describe the advice or counsel you received during your time of testing; was it biblical or non-biblical? If it was biblical advice, was it helpful and appropriate for you?

3) During your time of testing, what was your attitude toward God like? (Did you grumble, question God in an inappropriate way, become bitter toward God or others, etc? Perhaps your response was a good one and you drew closer to God.)

4) a) What did you learn about God's character during your time of testing?
   b) What did you learn about your own character through this?

5) What advice or counsel would you give to someone who is going through a similar situation to yours? Would it be different from the counsel you received; if so, why?
